22. [] LIAISON Sam Vinson, in the office of Representative Edward Madigan (R., Ill.), called and said the Congressman, who served on the House Agriculture Committee, is very interested in a briefing from us on our estimates of the various ramifications concerning food and climatology expectations. I have asked [] OCI, 25X1 for an outline of several points which we could cover with the Congressman and discuss with Vinson prior to establishing a time for the briefing.

✓ 23. [] LEGISLATION Hilda Shrieber, OMB, called to report the Administration's position on the Financial Disclosure provision in the Watergate Reform bill. I told her I didn't think the new provision would give us any great problem, but we are interested in the precedent calling for a complete exemption to the Agency and other elements of the Intelligence Community component with the policy enacted in Section 6 of the CIA Act of 1949 of not disclosing the names of Agency personnel.

24. [] LEGISLATION Spoke to John Naler, DOD, on General Vernon Walters' legislation exchanging views on what I learned from Ed Braswell, Senate Armed Services Committee staff. We agreed to keep in touch in order to facilitate the passage of the legislation.

25X1

25. [] LIAISON Called Representative Floyd Spence (R., S. Car.), indicating that I was following up on his earlier discussion with the Director and it was agreed we would meet at 4:00 tomorrow afternoon to discuss the House Select Committee report. He suggested that Dave Bowers, House Standards of Official Conduct Committee staff, sit in.
